

The illustration depicts a large, open book floating in a vibrant, tropical landscape. The book's pages are white, and the text is written in a bold, blue, sans-serif font. Five children are interacting with the book: a boy with dark hair peeks over the top edge; a boy with blonde hair and a girl with brown hair peek from the left edge; a boy with brown hair holds the right edge; and a girl with orange hair in a yellow dress stands at the bottom right, looking up at the book. The background features a bright blue sky with a large, smiling sun and fluffy white clouds. The ground is a lush green field with rolling hills and a cluster of colorful flowers (pink, purple, yellow) in the bottom left corner. The entire scene is framed by a decorative border of palm trees on the left and right sides.

Respected parents,

AOA,

Stay Home-Stay Safe

It is very important to continue studies at home for getting concepts. Kids can achieve all through following instructions with the help of their parents.

- Set-up a homework friendly area.
- Get up early in the morning.
- Schedule a regular study time
- Please get it printed if convenient, otherwise same lines can be drawn any blank page.
- Read as often as possible to your child and ask him/her to repeat after you.
- Reading should be joyful so begin with the content of your child's choice.
- Praise their work and efforts.
- Make sure your kids do their own work.
- While writing Trace and say letters.
- Make a balance between learning and playing.
- Talk about what you see on the page.
- Help your child learn about new words or content in a variety of ways.
- Use E-learning resource during studies.
- Talk about letters and sounds.

It is suggested to use uploaded links during studies.

Stop worrying and keep enjoying summer holidays with your kids!

Thank you.

With best wishes,

Pre School
